

### Submit LMI Data Request to COE

### Informational Item on Business Meeting Agenda

### Notification to the LARC CEO Board for Collaboration

### Submission in Regional CTE

### LAWC Review & Approval of Program

- Colleges who are considering the creation of CTE bachelor's degrees will submit an LMI request to COE.
- The LMI request must be placed early in the planning process to ensure prompt regional notification and sufficient data report preparation time.
- The LMI request will be provided by COE to the LARC Administrative Assistant for inclusion on the next LARC Business Meeting agenda.
- The LMI request will appear on the agenda as an information item and will serve as regional notification.
- The LARC Chair/AVP will ensure that the LARC CEO Board receives notice of the bachelor's degrees being explored after their appearance on a LARC Business Meeting agenda.
- The college will submit the program in Regional CTE, following all established guidelines for program recommendation items.
- The LARC Administrative Assistant will review the submissions and include programs that meet all requirements on the LARC Business Meeting agenda.
- The LAWC will review all bachelor's degree programs in Regional CTE in accordance with established program recommendation guidelines.
- The LAWC will recommend or not recommend bachelor's degree programs during the respective LARC Business Meeting.
