

NOW HIRING! 2024 SUMMER INTERNS

We recognize the fresh perspective and value that students bring with their multifaceted talent. That’s why we’ve designed and constructed a special **10-week paid internship program** that holistically curates fulfilling opportunities for lifelong learning and development.

in-tern-ship (noun)

On-The-Job training; a career-related work experience program for students who have specific learning goals and professional development aspirations. Supervised by department leaders and professional HR staff who emphasize ongoing training and engagement.

Trailblazers

We’re leading the publicly traded real estate industry with engaging social practices and robust alliances. Last year we collaborated with NAREIT and Project Destined. Hear what some of our interns had to say in this featured article!

A Full Slate of Opportunities

To build a top internship program, we offer insight into cross-functionality across our three business units -- Corporate, Development, and Property Management. This year we are looking for two interns to work out of our Corporate Calabasas office:

- Accounts Payable Intern
- IT Security Intern

Award-winning leadership

Our program is curated with Leadership Development experts who are recognized and respected in the industry. We’ll offer weekly presentations, discussions, and workshops with executives, senior leadership, advisors, and certified business partners. Here’s a quick look at our offerings:

- Valuing Perspectives
- DISC Foundations
- TACT Communication Essentials
- Speed of Trust

Our Talent

Acquisition team of recruiters and specialists are in search of top talent!
