a. LARC Employer Letter Template

*The LA Workforce Council will determine if they will approve the LARC Employer Letter Template to be utilized as a supplemental attachment when the issued LA Center of Excellence (COE) LMI report indicates that the “Living Wage” Program Endorsement Criteria is not met for the respective program, but graduating students will have access to positions with living wages due to employer connections. The letter would not replace or supersede LA COE endorsement and does not guarantee program recommendation. The Chancellor’s Office has informed the LARC team that only the issued COE LMI report will be considered when the program is being reviewed for approval.*
