How We Can Help

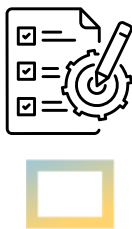

Vision & Alignment

- Guide K12 districts and schools in building, expanding, and strengthening CTE pathways.
- Align pathways with LARC Regional Plan Vision 2030 focus areas, including climate and AI.

Grant Support

- Host monthly K12 meetings.
- Share SWP/CTEIG updates and deadlines.
- Support CTE vision development.
- Assist with funding, structures, and programs.

Budget & Reporting Support

- Help schools and districts understand K12 SWP and CTEIG grant budget and reporting requirements, processes, and deadlines.
- Work with the LARC fiscal team to answer questions from the field.

Professional Development

- Deliver professional development around student success in career pathways, i.e., CTE symposium, monthly convenings, dual enrollment pathway institutes, newsletters, and many others.

Regional Collaboration

- Strengthen partnerships between K12, colleges, and workforce.
- Clarify systems, roles, and processes to improve collaboration.
- Connect schools and colleges to resources, programs, and initiatives.
