Maria Rodriguez
Manager,
Apprenticeship Expansion

How We Can Help

Partnership Development

- 1:1 Meetings with colleges
- Landscape analysis of the region
- Development & execution of outreach strategies for employers
- Providing education & increasing awareness of apprenticeship opportunities & programs for employers, Workforce Development Boards and other key stakeholders

Program Scaling & Sustainability

- Tracking Successes & Challenges
- Assessment & Evaluation
- Developing systems of continuous improvement

Program Design & Resource Identification

- Technical Assistance: program design & implementation
- RSI Framework Facilitation
- Grant/funding Identification
- Identifying & Leveraging resources
- Development of training materials & resources

Data Management & Analysis

- Reports on program and participant outcomes, and regional progress through the development and implementation of new programs
