How We Can Help

Strategic Employer Engagement

- Build and sustain sector-based employer partnerships
- Shift relationships from transactional to strategic
- Coordinate regional events (Table Talks, Panels, Fairs)

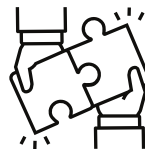

John Baker

ICT/Digital Media

Curriculum & Faculty Support

- Connect industry insights to curriculum updates
- Support faculty with sector-informed PD
- Strengthen pathways into work-based learning

Campus Capacity & Collaboration

- Coach colleges on employer engagement practices
- Improve communication between campuses and industry
- Expand equitable work-based learning access

Sector Strategy & Labor Market Insight

- Identify high-demand careers and skills
- Align programs with workforce trends using COE/LMI data
- Support regional tools like the LARC Jobs Hub and Handshake

Regional Alignment & Partnerships

- Serve as sector liaison across the LA19
- Connect colleges to aligned partners, i.e., WIBs, K16, CA Jobs First, LA28
- Reduce duplication; amplify regional priorities
- Engage with Core Initiative and regional projects
